LETTER OF RECOMMENDATION

Ref: The business activity carried out by the company GEORGH ENGINEERING Ltd - *Tunel Consult* - Ltd Sofia city

DEAR SIRs,

Vodokanalinvest LLCs, to the Ministry of territorial Development and Construction is in direct contacts with the company GEORGH ENGINEERING Ltd - *Tunel Consult* when performing its activity in the sphere of hydro-technical construction. Our joint activity comprises consulting and rendering project services as well as carrying out engineering activity when building a number of sites:

- Dam Lake *Byala* - a diverting tunnel
- Dam Lake *Borovitsa*
- Derivation *Djerman-Skakavitsa*
- Drinking reservoirs, etc.

We recommend the company GEORGH ENGINEERING -TUNEL CONSULT Ltd as a correct partner having long experience, abilities and resources in connection with building and renovation of hydro-technical sites and as a partner one could count on.

On the behalf of VODOKANALINVEST Ltd:

/signed/
